

TR 750P

TROWEL PETROL

For floating and trowelling freshly laid concrete floors.

All of our machines are versatile and easy to operate. Designed for heavy-duty and with high reliability. This means low running and maintenance costs.

- Reliable worm gearbox with permanent lubrication.
- Long and height adjustable handle.
- The handle can be folded to make transport and storage easy.

- “Easy grip” dead-man’s handle that is easy to hold from any point along the ergonomic handle.
- Strong protection frame with a lifting hook.
- Fast working speed reduces the working time.
- The rotating protection ring offers excellent visibility features. An O-ring fitted on the outside of the cover protects walls against damage.
- All steel parts have been galvanized with an extra thick layer to provide better protection against corrosion.
- Screw or alternatively quick-pitch system for blade adjustment.
- Unique fast blade change system. Just one quick-release pin per blade.
- **Accessory:** Transport wheels (recommended).
- Easy to service, change blades or levelling disc – just tilt the machine backwards with the transport wheels fitted.
- The machine has been designed such that when the machine is tilted backwards, no engine oil can escape through the valve into the carburettor or the silencer.

TECHNICAL DATA – SWEPAC TR 750P

Engine, petrol	Honda GX160
Engine power	3.6 kW (4.8 hp)
Speed RPM (engine)	3 600 rpm
Speed RPM (drive shaft)	50–150 rpm
Fuel tank capacity	3.1 liter
Weight	72 kg
Weight, transport wheels (including fixture)	3.5 kg
Dimensions	
Protective cover diameter	750 mm

TECHNICAL DATA – SWEPAC TR 750P

Trowel diameter	728 mm
Floating disc diameter	745 mm
Length in working position	1 778 mm
Height in working position	1 065 mm
Height in transport position	1 142 mm
Hand/arm vibrations (HAV) as per ISO 5349 on fresh concrete (using floating disc)	5.2 m/s ²
Guaranteed sound power level L _{WA}	105 dB(A)
Sound pressure level (at operator’s level), OP	92 dB(A)

Swepac is Sweden’s leading manufacturer of soil compactors. The company has a wide range of products, with different motor options and a variety of sizes for every application. Swepac is certified for quality and environmental management under ISO 9001 and 14001, and our machines are Eurotest-certified by SMP Swedish Machinery Testing Institute. You will find detailed information about the company and our products on our website, www.swepac.com. We reserve the right to make changes in technical specifications without prior notice.
